

Physical Therapist

Healing Motion Physical Therapy is seeking a full-time Physical Therapist to join our team. Healing Motion was established in 2005. It is an outpatient private practice that is locally owned and operated, serving the communities of Philomath and Corvallis.

Healing Motion boasts 45-minute one-on-one appointments with a Doctor of Physical Therapy. We prioritize continuity of care, scheduling patients with the same therapist throughout their episode of care. We are manual therapy focused and expect our team to efficiently deliver measurable results our patients can see and feel.

Our mission is to serve our community, moving them to excel in health, wellness, and life. Our values are based off 1 Peter 4:10 - "As each one has received a gift, minister it to one another, as good stewards of the manifold grace of God."

- Love
 - Serve and steward
 - Surprise and delight
 - Wash other people's feet
- Growth
 - Personal excellence
 - Mind - intellectual and emotional
 - Knowledge, understanding, self-worth
 - Body - physical and financial
 - Health
 - Soul - spiritual and social
 - Relationships characterized by love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control
- Grace
 - We were first loved
 - We should not cast the first stone

Our values cannot be over-emphasized. It is through this filter that we make decisions and evaluate the performance of our team members. Our therapists and support staff are expected to exemplify these values personally, in the way they interact with patients, and in the way they treat one another. This is what sets us apart from all the other clinics you might be looking at.

The only requirement is that you will be a good cultural fit and represent our values! If you are funny, that is a bonus. Oh, and you must have graduated with a Doctor of Physical Therapy from an accredited University and have an Oregon license to practice physical therapy. Those things are also kind of important.

Healing Motion offers a competitive salary. We cover the premium on a professional malpractice insurance policy, Oregon licensing fees, and annual APTA/OPTA membership dues. We offer a continuing education package and flex time-off as well as holiday pay. We offer a retirement program with a company match. Full-time employees are eligible for health, dental and vision

benefits. Additionally, Healing Motion offers an incentive program to all therapists. We are open M-F 8:00am - 6:15pm, no weekends! We offer flexible scheduling, 4 10s or 5 8s!

Interested applicants, please email your cover letter and resume to owner and operator, Ashlee Roderick, at ashlee@healingmotionpt.com. Thank you SO much for considering us!
